DO NOT leave them with instructors, on the stereo, or on the floor. MSD cannot be responsible for items in the studio. **No street shoes in any dance room.**

VERY IMPORTANT: MSD's software program is designed to communicate directly through your email. This enables us to send all notifications directly to your email inbox right away – no delays or phone messages. We will be able to use this feature to notify families regarding canceled classes, studio closings, newsletters, recital schedules, etc. Please make sure the studio has your correct email address on file. If you change your email, you must notify the desk right away to be able to receive current information.

COSTUMES: Costume fees will be \$75 for child sizes and \$95 for adult sizes. The costume book will be available by November 1st. Costume fees will be posted to your account on November 15th. Costume fees are due by December 1st. **If you are enrolled in auto pay the costume fees will automatically be deducted from your autopay account.** All outstanding costume balances not paid at the end of each month beginning December 31st, will be subject to a \$10.00 late fee per month.

COSTUME MEASUREMENTS/SIZES: We are asking parents to measure their dancers. Parents are asked to turn in the attached measurement sheet. If you would like an MSD staff member to measure your dancer, please let the desk know and they will do so for you. You may choose the dancers costume size based on the size chart available in the costume book. Be sure to size each costume individually as each costume company has its own size chart. If you do not measure/size your dancer by October 13th, MSD staff will.
